

What is the main flavour inspiration for the product your are developing?

Is the flavour of the inclusion required to match or be similar to some other product (such as a reference product as part of your inspiration)?

What intensity of flavour are your looking to capture - is it a subtle or bold experience?

How will the flavour of the inclusion sit against the rest of the product?

What other flavours are being used/captured in the product?

Contact The Team

Our team think about inclusions every day, and are here to help you develop amazing products for your customers.

With a wide selection of options, we can help you quickly refine your options, provide samples, and work with you to achieve the best possible solutions for your project.
