

Are there limitations in your processes or equipment that impact the the size or shape of inclusion you can use?

When looking at your customer experience of the product with inclusions, are you looking for a large piece and a sense of indulgence or a smaller more dispersed inclusion that is abundant through the product?

Are there any other considerations or thoughts around size requirements for this project?

Contact The Team

Our team think about inclusions every day, and are here to help you develop amazing products for your customers.

With a wide selection of options, we can help you quickly refine your options, provide samples, and work with you to achieve the best possible solutions for your project.
