

What are the texture experience goals for this project?

What level of texture contrast are you looking to achieve with inclusions?

What texture expectations will your customers have for the product? Are you working to or against these expectations?

Are you looking for visual texture, mouthfeel texture, or a combination of both?

What other texture considerations apply to this project?

# Contact The Team

**Our team think about inclusions every day, and are here to help you develop amazing products for your customers.**

With a wide selection of options, we can help you quickly refine your options, provide samples, and work with you to achieve the best possible solutions for your project.
